

MANDY EL-SAYEGH
'CITE YOUR SOURCES'
12 APRIL – 9 JUNE 2019

READING LIST

A reading list of texts, books and articles has been compiled in collaboration with Mandy El-Sayegh to accompany her commission at Chisenhale Gallery. This resource expands on ideas raised through El-Sayegh's exhibition and wider practice.

Included texts explore themes relating to self-representation and identity in the context of feminist theory and literary criticism. Also included are a number of texts on psychological analysis in the context of postcolonial theory and critical theory, as well as texts on sexual representation and the cultural display of the body. A selection of videos and podcasts are also included to further contextualise themes explored in El-Sayegh's practice.
