PAUL MAHEKE

'A FIRE CIRCLE FOR A PUBLIC HEARING'

13 APRIL – 10 JUNE 2018

READING LIST

A reading list of texts, books and articles has been compiled in collaboration with Paul Maheke to accompany his exhibition, *A fire circle for a public hearing*, at Chisenhale Gallery. This resource expands on ideas raised through Maheke's new commission. Included are books that explore queer, feminist and de-colonial narratives through literary and theoretical outputs. Some of the texts highlighted here reflect on performance and performativity, queer futurity in the context of death and desire, and the use of cosmology and esoteric practices. Also included are essays on sound and culture; press articles and reviews on Maheke's previous works; and links to audio/video material that provide reference and further context to the work.
